

Consulting • Technology • Managed Services

EDP Tech Group, Inc. provides strategic consulting technology services and managed services to commercial, not for profit and government organizations. Our Consulting can mobilize the right people, skills, and technologies to help organizations improve their performance. As a minority owned small business, EDP Tech Group is committed to excellence and creating innovative and flexible solutions for our State and Federal clients.

What sets EDP Tech Group apart from the competition when it comes to 508 Accessibility and testing?

- With extensive experience at the CDC, our service offerings are not only compliant with section 508 but also enriched with public health sector insights.
- Personnel accredited as DHS Trusted Testers, Version 5 (V5), ensuring highest standard of accessibility compliance and testing rigor.
- Unique approach to training and development, empowering clients with the knowledge to maintain and improve upon accessibility standards independently.
- Provide cost-effective solutions and work with you to maximize your budget.

Core Competencies

Section 508 compliance is not just a legal requirement: it's a testament to your organization's commitment to accessibility and inclusivity. By ensuring your digital resources are fully accessible, you're not only adhering to the law but also opening your doors to a wider audience, including people with disabilities. We offer:

- **Section 508 Compliance Auditing:** Comprehensive evaluations against the revised 508 standards to ensure that electronic and information technology (EIT) is fully accessible.
- **Document Remediation:** Expert adaptation of documents (PDF, Word, Excel, etc.) to be accessible for individuals with disabilities, adhering to WCAG 2.1 and 2.2 guidelines.
- **User Experience Design:** Crafting accessible user interfaces and experiences for web applications, websites, and mobile apps with a focus on universal design principles.
- **Accessibility Training and Consultation:** Providing in-depth training and consultation services to facilitate the adoption of best practices in creating accessible digital content.

Core Competencies (cont'd)

- **Accessible Web Development:** Development of accessible websites and applications, including code remediation, accessibility testing, and implementation of ARIA landmarks.
- **Policy and Governance:** Assisting organizations in developing policies, procedures, and governance models to maintain continuous Section 508 compliance.

Certifications and Trainings

- *Department of Homeland Security Trusted Tester Version 5*
- *Accessibility Fundamentals; Disabilities, Guidelines, and Laws*
- *Basic Web and Document Accessibility for Content Contributors*

Past Performance in 508 Accessibility

- Centers for Disease Control and Prevention (CDC)
- Federal Emergency Management Agency (FEMA)
- Federal Deposit Insurance Corporation (FDIC)
- Edward Jones Financial

Vision, Mission, and Purpose

Our vision is to be the leading catalyst in transforming digital spaces into universally accessible platforms, fostering inclusivity for all users, regardless of their abilities.

Our mission at EDP Tech Group is to empower organizations to achieve and sustain Section 508 compliance, ensuring their digital content is accessible, navigable, and usable by everyone. We strive to deliver expert guidance, innovative solutions, and comprehensive support in the realm of digital accessibility.

Our purpose is to bridge the digital divide by ensuring that accessibility is an integral part of the technological landscape.
